HIGHLIGHTS

ERGOLINE SUNRISE SERIES

STANDARD EQUIPMENT

DYNAMIC

48 x 200 W

PERFORMANCE

Dimmable electronic ballasts increase your UV output per watt input by around 25%, increasing lamp life to up to 1,000 hours, helping you protect your investment. The tanning performance is improved even further.

ADVANCED

48 x 180 W

PERFORMANCE

New Advanced Performance technology. The tanning performance of the lamps has been optimized even further for an instant WOW! effect.

SILENT COOLING

Silent Cooling in Ergoline Sunrise gives you extremely quiet, yet powerful body cooling through three overhead vents.

BODY SPACE

86CM

208CM

The roomy tanning tunnel in the Ergoline Sunrise Series is especially comfortable at 208 cm in height and 86 cm in width.

LED LIGHT SHOW

High quality performance LEDs guarantee an impressive colour brilliance and many light effects. Up to 80% energy savings and an operating life of more than 30,000 hours.

INTERIOR LIGHT

The new LED interior light emphasizes the features in the tanning tunnel. The brightly illuminated tanning tunnel ensures a hygienic appeal and is a particularly enticing invitation to tan.

AQUA FRESH

The Aqua Fresh ensures a pleasant and refreshing experience during the tanning session spraying a mist of essences into the tanning tunnel.

AROMA

The aroma function provides a discreet scent in the tanning tunnel and cabin. So that you can enjoy the tanning session with all senses.

3D SOUND

Our 3D-Sound System will bathe you in a sumptuous sea of sound as you tan. The system consists of two speakers, a subwoofer, and an SD card slot and MP3 dock.

VIBRA SHAPE

The patented Vibra Shape plate's rhythmic vibrations offer you a number of positive health benefits. Get in shape!

MP3 AUX

Connect an MP3 Player or a smart phone to enjoy your own music during the tanning session. The Auto Play function will recognize the connection automatically.

VOICE GUIDE

The Voice Guide walks you through every step in a pleasant, friendly voice as you control the sunbed.

VIBRA SHAPE - GET IN SHAPE!

A tanning session on the Ergoline Sunrise is now also a fitness session at the same time. Vibra Shape allows customers to train their physical fitness as they tan without even breaking into a sweat. The rhythmic vibrations of the Vibra Shape plate have numerous positive effects on health: They promote muscle generation, energise fat reduction and improve physical mobility and coordination. The improved supply of nutrients to the skin also enhances the tanning effect.

ERGOLINE SUNRISE
